

# Avery® Supreme Wrapping Film

an Impressive Range of Colours, Textures and Finishes

Time-saving, easy application, superior performance, and long-term removability... in a broad selection of standard colours and finishes, plus a colour matching service to bring you virtually any colour you like!

For a wrapping film that combines performance, versatility and convenience, look no further than Avery Supreme Wrapping Film from Avery Dennison. This dual-layer film combines colour, texture, and clear protective layers, providing a smooth, paint-like finish that's both durable and dazzling. What's more, with a choice of 50 colourways, Avery Supreme Wrapping Film today offers an even broader palette of options than ever before.

This enhanced film technology ensures excellent conformability, and adheres well to deep recesses. Avery Supreme Wrapping Film is available in rolls 1.52m wide, which allows large panels to be covered with just one piece of material, with no seams, for faster application and a professional finish.

Incorporating Avery Easy Apply™ RS adhesive technology, Avery Supreme Wrapping Film provides film repositionability and slideability, saving valuable installation time.
